Response to Notice of Non-Compliant Amendment

Sir:

This document is filed in response to the Notice of Non-Compliant
Amendment dated October 17, 2003.

On October 29, 2003, applicant's counsel spoke with Legal Instruments
Examiner (LIE) Sonya Williams. The Examiner, in her Notice of Non-Compliant
Amendment, indicated that a complete listing of all of the claims was not present
in applicant's July 18, 2003 Amendment.

Counsel indicated that applicant had submitted a complete listing of the
claims appended to the back of the Amendment document, along with a listing of
amended claims within the body of the Amendment document. The Examiner

Response to Notice of Non-Compliant Amendment dated October 17, 2003

indicated she would retrieve the file and confirm this, and consider the Amendment compliant if this was the case.

On November 17, 2003, applicant's counsel again spoke with the Examiner. The Examiner was unsure of the status of the complete listing of the claims. The Examiner indicated that the applicant may file a response by fax stating that it did file a complete listing of claims and that it believes that its Amendment is in compliance.

Further to the Examiner's instructions, applicant states that in its July 18, 2003 Amendment it did file a complete listing of claims and that it believes that this Amendment is in compliance.

The applicant believes that this statement is an adequate response to the Notice of Non-Compliant Amendment. The applicant respectfully requests that its Amendment be found compliant and that prosecution of this matter be resumed.

Respectfully submitted,
